Above the pool terrace and esplanade, overlooking Sarasota Bay and its skyline, one will quickly appreciate that this residence is one-of-a-kind. Almost all of this plan is framed in glass — half of which looks out to the pool terrace, the marina and city skyline. The open-plan kitchen and salon are simply expansive. In all, four en suite bedrooms, and a spacious studio/office/media room, add up to a residence that features 3,429 square feet of interior space, and total living space just shy of 3,700 square feet.
